RE: CITY OF BROWNSVILLE MS4 PROGRESS REPORT FOR JANUARY 2015

Dear Mr. Scott,

On December 4, 2014, you and Conner Franklin met with Jerry McClinton and me to discuss the current status of the City of Brownsville's MS4 Program and the City's plans to obtain and maintain compliance with its MS4 permit. On December 5, you sent a letter to Jerry McClinton requesting monthly progress reports. The report for December 2014 was sent to you on January 14, 2015. The report for January is below.

For the month of January, the following activities occurred:

- The City hired a Storm Water Manager, who will begin work at the City in March 2015.
- The December MS4 Progress Report was submitted on January 14, 2015.
- Jerry McClinton has maintained construction site inspections.
- Thomas B. Lawrence contacted TDEC to identify possible resources for conducting the Endangered Species Evaluation for the City and is following up with consultants to perform the work.
- The 2013/2014 Stormwater Annual Report was submitted to TDEC on January 27, 2015. The report was required to be submitted by January 31, 2015.

Please let me know if you have any questions or wish to further discuss this report. You can also contact Jerry McClinton at 731-772-1212.

Sincerely Yours,

Thomas B. Lawrence, PE
